

Yes Futures Volunteer One-to-One Coach

Introduction

Yes Futures is a multi-award winning charity, established in 2012. Our successful Finding Futures and Rising Futures programmes have made a proven difference to the lives of over 2000 young people, and we are rapidly expanding to more schools across the country.

We are looking for **enthusiastic and committed individuals to train as Yes Futures Coaches**. We run two programmes each year: **September to February**, and **March to July**.

Our award-winning programme provides Yes Futures Coaches with full training and ongoing support, enabling you to thrive and develop your coaching skills in a collaborative environment. This is a unique opportunity to develop your skills and gain vital coaching experience at no cost to you.

You will work one-to-one with several secondary school students to empower them to believe in themselves. This is a remote coaching role, allowing you to volunteer with us from anywhere in the UK.

About Yes Futures

Yes Futures offers award-winning coaching which empowers young people to believe in themselves and discover their personal potential.

We run personal development programmes in primary and secondary schools to develop students' four key talents: Confidence, Resilience, Communication and Self-awareness.

What does a Yes Futures Coach do?

If it is your first-time coaching with Yes Futures, you will become a Coach on our Rising Futures programme for secondary school students. If you have coached with Yes Futures before, you are eligible to become an Impact Coach:

"Having the opportunity to work with and see the impact you're having on young people at a very early stage in their lives is amazing. Knowing that you're setting them up with skills that they will use for the rest of their lives is an incredible opportunity, and one that I just would not have got without Yes Futures - thank you!" – **Tom Pocock, Yes Futures Coach**

What skills does a Yes Futures Coach require?

We welcome a wide range of individuals of different backgrounds, experiences and ages to join our Coaching programme. We value candidates who can demonstrate they are able to make an IMPACT:

I-Inclusive - We value the input of our entire community and embrace diversity. We work with a diverse range of students, and we want our coaches to reflect that. Our community can then work to draw upon each other's experiences to best support our students.

M-Motivated - We are inspired by the results we achieve. All our coaches bring their energy and enthusiasm to the sessions, empowering the students.

P-Professional - We are dedicated and passionate individuals who are committed to the students we support, and reliably turn up for them throughout the whole programme. We represent Yes Futures and respect the learning environment we work in, including teachers, staff, and other partners.

A-Ambitious - We inspire ambition in all young people we work with. Through regular goal setting and targets, we support students to aim high and recognise their potential.

C-Collaborative - We work with schools, students, parents and partners to create lasting impact. We draw upon the experience of our diverse community to support others, share learning, and encourage one another to provide the best support possible.

T-Trustworthy - We believe in our programmes and trust our Coaches to support our students to become their authentic selves. We recognise that safeguarding is a top priority when having personal conversations with students, and we follow the correct procedures to report incidents to the team.

Please note, all Coaches must have a certain level of proficiency and using Zoom and a computer/laptop. Coaching sessions are all conducted online, so you must have suitable technology to complete this.
