

# Join our network of Partner Schools!

Our network of **pioneering primary and secondary schools** spans across London, the South East and East Anglia.

We have worked with  
**56**  
partner schools...

...where we've supported  
**1000+**  
young people.

Of the schools we worked with  
last year...  
**80%**  
have signed up again

"I am **beyond happy** with the Yes Futures programme.

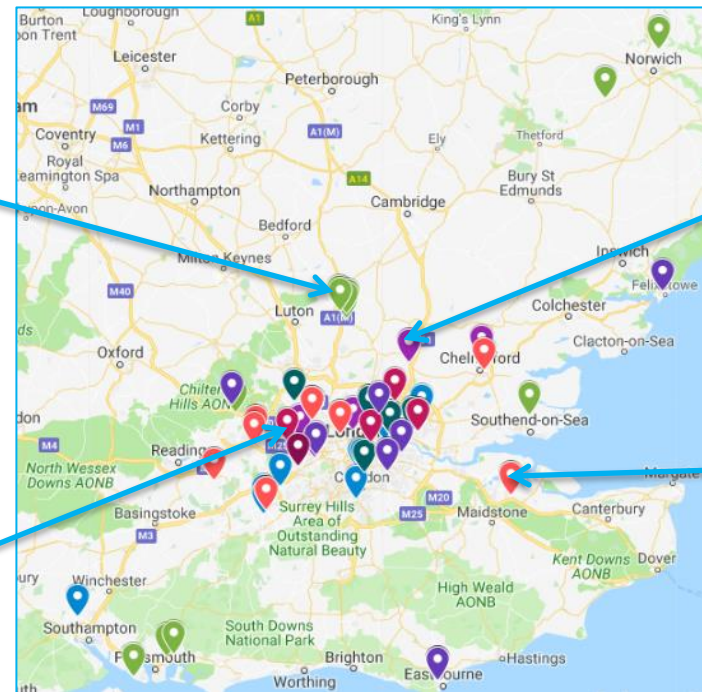

It is a really positive part of the students' school life, and I have already noticed some changes in their **self-confidence** and **motivation at school**.

**Mr Barry, Lead Teacher, John Henry Newman School**

"The Yes Futures programme has been an **asset to our school**.

It's fantastic to see how the coaching and activities out of school have made a **huge impact on my students' performance** in school."

**Rebecca Cramer, Headteacher, Reach Academy Feltham**

**Passmores**  
ACADEMY  
Improving upon our best

"The programme was a **valuable use of our Pupil Premium** funding.

Students have made noticeable improvements in their **confidence** and **self-esteem**, and this has also impacted their **performance in the classroom**.

I would **definitely recommend the programme** to other schools."

**Vic Goddard, Headteacher, Passmores Academy**

"We have definitely seen an **increase in confidence** in all of our children. Some have really **come out of their shell!**

Many parents have mentioned they had also seen a **difference at home.**"

**Laura Kavanagh, Lead Teacher, Miers Court Primary School**
